

The St. Louis Community Foundation At a Glance

Since 1915, the St. Louis Community Foundation (STLCF) has delivered exceptional client services to thousands of donors, turning their charitable visions into meaningful change. With almost \$500 million in assets, STLCF is home to more than 700 funds, each embodying a donor's dream for a better St. Louis and world.

In diverse areas like the arts, disaster relief, education, the environment, health, housing, veteran's issues, and more, our donors are making a difference.

WE GROW WITH YOU AND YOUR PHILANTHROPY

Personalized partnerships maximize your charitable impact.

There is an inherent joy that arises from giving to others, and STLCF strives to ensure that the process itself is also rewarding. Our approach is based on establishing a personal partnership with our donors and developing a customized giving plan that maximizes the impact of their charitable endeavors.

Regardless of when you want to give, how much you can give, or what issue moves you to take action, we can help you create a charitable fund which will transform your philanthropic dream into a meaningful reality that evolves with you, your family and your age and stage in life.
