

2023

ANNUAL  
REPORT

ST. LOUIS

COMMUNITY  
FOUNDATION

**To inspire purposeful philanthropy that connects  
community and donors to build and preserve a  
more equitable and vibrant region,**

**NOW AND FOREVER.**

*-mission of the St. Louis Community Foundation*

# LETTER FROM LEADERSHIP

Dear Reader,

The St. Louis Community Foundation celebrated many milestones and embraced significant transformation over the past year. We are pleased to share our 2023 annual report, which highlights the impact of the Foundation's purposeful philanthropy in our region.

The Foundation and its donors granted more than \$80 million to scholarship, nonprofit, and employee care recipients in 2023, bringing our five-year total to more than half a billion dollars. The vast majority of these funds stayed in the Greater St. Louis Metropolitan area.

A record-setting number of nonprofits participated in the 10th annual Give STL Day, our region's largest day of online giving, and raised more than \$3.8 million. In addition, we provided capacity-building opportunities to hundreds of nonprofits and uplifted countless grantee and partner stories.

These accomplishments and many others would not be possible without our nonprofit, donor, and community partners.

As we consider the future of the Foundation, we are optimistic that through partnership and collaboration, we can affect meaningful change in the needed areas identified in our new strategic plan. We also believe that the investments of today will propel long-term success. By seeing obstacles as opportunities, we will continue to pursue our vision for a better, brighter, and more equitable St. Louis.

We are grateful for your support and look forward to continuing to serve as our region's hub of philanthropy. **Thank you.**

Sincerely,

*Kelvin R. Adams*

Dr. Kelvin Adams  
President & CEO, St. Louis Community Foundation

*Bill Schmidt*

Bill Schmidt  
2024 Board Chair, St. Louis Community Foundation

# 2023 GRANTMAKING

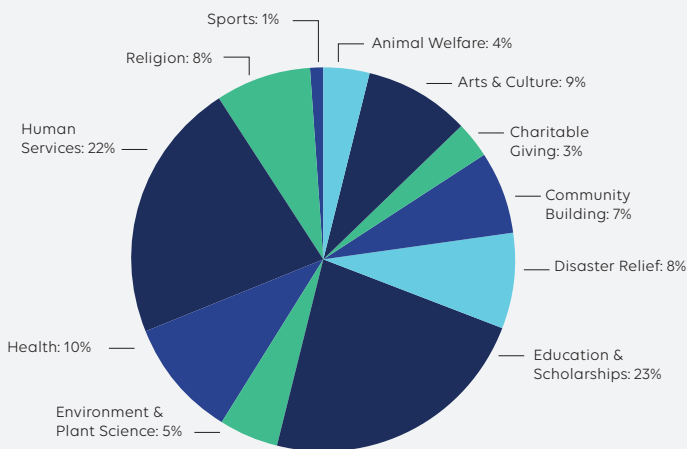

The St. Louis Community Foundation and its donors directed more than **\$86.4 million** dollars to nonprofit, scholarship, and employee care recipients here at home in St. Louis and around the world.

These charitable dollars are directed to a rich variety of causes, with **81%** of all grants benefiting the Greater St. Louis Metropolitan area. Because of the generosity of our donors, countless meals have been served, backpacks have been filled, and needy animals have been rescued.

# 2023 HIGHLIGHTS

## Welcoming Dr. Kelvin Adams

In July 2023, after a national search, the Foundation's Board of Directors announced that Dr. Kelvin Adams would serve as the organization's next President & CEO.

Dr. Adams' background as a community leader, educator, and advocate for the St. Louis region made him the ideal candidate to lead the Foundation into a new era of support for the region. Dr. Adams previously served for 14 years as Superintendent of Saint Louis Public Schools.

Shelley Seifert, 2023 Board Chair, remarked that "Dr. Adams' more than 40 years of unwavering devotion to serving youth, families and communities will be a major asset to the future of the Foundation and the entire region."

The Foundation hosted a welcome reception for Dr. Adams later that summer, in which he remarked that he envisioned "...a future of increasing collaborative philanthropy to address some of our region's most complex and persistent problems and expanding the Foundation's leadership role to deliver a more equitable, connected, and stable community."

*Dr. Kelvin Adams and Shelley Seifert,  
2023 Board Chair*

## Celebrating the 10th Annual Give STL Day

The Foundation and local nonprofits celebrated the 10th annual Give STL Day on May 10, 2023, raising a total of \$3.84 million and bringing the event's 10-year total to \$30 million.

The anniversary year saw record-setting nonprofit participation, with 1,126 organizations rallying donors to their causes, including more than 200 organizations that had participated in Give STL Day every year since 2014. Nonprofits had the chance to boost their giving day success by strategizing to win a portion of the record-breaking \$220,000 cash prize pool.

Give STL Day gives nonprofits the chance to connect with donors and raise awareness of their missions. Participants also benefit skill-building trainings and opportunities to network with peers. Connections are made on Give STL Day that last beyond the 24-hour giving period.

In an inspiring display of generosity, more than 14,600 unique donors made upwards of 26,200 donations during the giving period. St. Louis's spirit of generosity was ignited on Give STL Day!

*Nonprofits gathered at Oak Knoll for a  
media opportunity and networking in  
celebration of Give STL Day*

---

## Capacity-Building Services Provided to Nonprofits

The Community Foundation and Missouri Foundation for Health partnered to provide capacity-building services to nonprofits via Catchafire, an online platform that connects nonprofits with skilled volunteers. In a testament to the power of collaboration, more than \$1 million in services—from web development to leadership coaching or marketing strategy—was provided to nonprofits at no cost to them. These services totaled more than 5,300 donated hours. Capacity-building equips nonprofits with the skills and resources they need to drive operational growth and achieve their missions.

---

## Record-Setting Scholarship Awards

The Community Foundation administers more than 80 scholarship programs that awarded a record-setting \$1.9 million to 620 students for the 2023–2024 school year.

Private scholarships from the Foundation make college education possible for students like Justin Saunders, who graduated in 2023 with a degree in psychology.

Nearly half of Justin's yearly tuition was covered by scholarship awards. Justin says, "Scholarships helped me invest in myself and my future. If you give someone the opportunity to prove themselves, they won't take it for granted. I'm certainly not!"

*Justin Saunders,  
Scholarship Recipient*

---

## Strategic Planning

The Community Foundation team engaged in a strategic planning process that spanned the majority of last year. Beginning in March 2023, the Foundation conducted a region-wide "listening tour" to gain insights and feedback about the Foundation and our role in community. Insights gleaned from the 135+ civic, community, nonprofit, corporate, and philanthropic participants informed intensive strategy sessions as the Foundation identified the qualities needed for its next President & CEO and reworked the organization's vision and purpose. Overwhelmingly, participants called for the Foundation to lead, inspire, and shape the conversation about philanthropy in St. Louis.

Throughout the fall months, with this feedback in mind, out staff and board members participated in several intensive strategic planning sessions and conducted additional research into community needs and current Foundation donor activity. The resulting strategic plan was brought before the Board of Directors for final vote in December 2023.

# CHARITABLE FUNDS

There is inherent joy that arises from giving to others. The St. Louis Community Foundation is home to more than 800 charitable funds, each embodying a donor's dream for a better St. Louis and world. It is our honor to serve as their partner in philanthropy.

38 new funds, indicated in green, were opened at the Foundation in 2023.
